

FOR GUESTS • 7KW OVERNIGHT CHARGING

# Charging your electric vehicle

A convenient VoltShare charging point is available for guests during your stay — ideal for topping up overnight. Card payment is taken directly by VoltShare; the cost is not included in your stay.

CHARGER	Type 2 socket • <i>untethered — bring your cable</i>
POWER	7 kW • <i>~30 miles of range per hour</i>
PAYMENT	Card via VoltShare • <i>app or QR code</i>
LOCATION	Dedicated EV bay in the main car park, beside the Cycle Store • <i>~120m from Ewe Lodge</i>

### FIND THE CHARGING BAY

From Agnes Meadow Lane, follow the signs for Mulino Lodge Farm & Retreat, then the signs to the Pods.

## How to charge

FOUR STEPS

- 01 PARK IN THE EV BAY**  
Use only the designated EV parking space while actively charging.
- 02 PLUG IN YOUR VEHICLE**  
Connect your Type 2 cable to the car's charging port and the charger.
- 03 START THE SESSION**  
Open the VoltShare app, or scan the QR code on the charger and add your card.
- 04 UNPLUG & MOVE**  
Once complete, unplug and free the bay so other guests can charge.

### BEFORE YOU ARRIVE

- OPTION A • THE VOLTSHARE APP**  
Install the app, create an account and save your card before your visit — gives you live charging status on your phone.
- OPTION B • QR CODE ON ARRIVAL**  
No app needed. Scan the QR on the charger with your phone camera, add your card on the web page that opens, then start charging.

### POWERED BY VOLTSHARE

## Good to know

At 7 kW, expect roughly 30 miles of added range per hour — exact times depend on your battery capacity and starting charge. The bay is reserved for vehicles that are actively charging.

### BAY ETIQUETTE

Only park in the EV bay when actively using the charger.

Move your vehicle as soon as charging is complete so other guests can charge.

### QUICK TROUBLESHOOTING

#### SESSION WON'T START

Switch off the car and lock it. Unplug the cable, wait ten seconds, plug back in, then re-scan the QR.

#### CHARGER OFFLINE

Check the LED on the charger is lit. If it's off, contact VoltShare support.
